MEMORANDUM

DATE: March 8, 2018

TO: Broward County Board of County Commissioners

FROM: Bertha Henry, County Administrator

SUBJECT: Request to Extend the Broward County Consolidated Communications Committee

In its December 2016 Phase II report, Fitch and Associates (Fitch) recommended the sunset of the Broward County Consolidated Communications Committee (BCCCC) and the reconstitution of the Law/Fire Operational Review Teams (ORTs) to be led by Fire and Police field personnel. As part of this process, Fitch recommended the implementation of an engagement process that allows for decisions to be vetted by the stakeholders and voted on by agencies.

Based on feedback from the end users, on February 7, 2017, the Board of County Commissioners (Board) extended the BCCCC for one-year to allow for the end users to establish the ORTs. At the February 2, 2018, BCCCC meeting, committee members were informed by a representative of the ORTs that the Law/Fire ORTs have not established their structure and that additional time is required. As a result, the BCCCC approved a motion to extend the BCCCC for an additional six months to allow for the establishment of the ORTs.
