What Are the Benefits of Solar Energy?

Go SOLAR Broward Rooftop Solar Challenge is a U.S. Department of Energy grant-funded program that makes it easier for Broward County residents and businesses to convert to solar energy by reducing the cost and wait time associated with the permitting process for photovoltaic (PV) rooftop solar systems. Go SOLAR offers home and business owners who reside in participating partner cities and/or their licensed contractors, a streamlined, online application system with standardized fees, preapproved design plans, and uniform interconnection to utility systems.

- **Save on energy bill throughout the life of the system.**
- **Cleaner source of energy and energy independence.**
- **Results in greenhouse gas reductions.**
- **Florida Power and Light (FPL) – Solar Rebate Program.**
- **Residential Renewable Energy Tax Credit.**
