Go SOLAR Rooftop Solar Challenge... Making Solar Energy Easy!

Go SOLAR Broward Rooftop Solar Challenge is a U.S. Department of Energy grant-funded program that makes it easier for Broward County residents and small businesses to convert to solar energy, by reducing the cost and wait time associated with the permitting process for photovoltaic (PV) rooftop solar systems.

The Go SOLAR Team is implementing process improvements in four action areas:

- Standardized Permitting
- Financing
- Planning and Zoning
- Net Metering and Interconnection
