Committee Action Items

- **Landlord Database Update**

Rebecca McGuire: The Committee is looking at the system used in Miami for the Multiple Listing Site.

Crystal provided a demonstration of the website the listing service and all features. Rebecca will work with the Purchasing Department to see how we can move forward. A call with Crystal will be scheduled to see who it would take to set up the system. More information will be provided at the next meeting.

- **Landlord Recruitment Event:**

Tomorrow night there are 20 tickets for the Panthers game for a Landlord Recruitment event. We need folks to email names of who will be attending. We need to make this a great showing.

- **Public Comment:**

Questions were asked about who the contact for Coordinated Entry is now. This will be Rebecca. Rebecca shared that she we will do our best to keep you informed as we move through the cleanup.

The County will be providing a series of trainings for all providers. Please make sure your staff had end user training.
