

#### DISCLAIMER

The data maintained by the Land Stewardship Program represent a comprehensive source of information on the locations of public and private natural lands within Broward County, Florida. However, data are not always based on recent site-specific field surveys. This information should not be regarded as a final statement on the biological resources of the site being considered, nor should it be substituted for on-site surveys. Broward County shall not be held liable for the accuracy and completeness of these data, or opinions or conclusions drawn from these data. Broward County is not inviting reliance on these data. Inventory data are designed for the purposes of conservation planning and scientific research and are not intended for use as the primary criteria for regulatory decisions.
