ARTICLE III. GENERAL PROVISIONS

SECTION 3.1 CONFLICTING REGULATIONS

Wherever any provisions of this Resolution impose more stringent requirements, regulations, restrictions or limitations than are imposed or required by the provisions of any other law or resolution, then the provisions of this Resolution shall govern.

SECTION 3.2 SCOPE

No building or structure, or part thereof, shall hereafter be erected, constructed, reconstructed or altered and maintained, and no existing use, new use or change of use of any building, structure, or land or part thereof shall be made or continued, except in conformity with the provisions of this Resolution.

SECTION 3.3 BUILDING UNDER CONSTRUCTION

Any building or structure for which a lawful building permit has been issued, and the construction of which has been started prior to the effective date of this Resolution, may be completed and used in accordance with the plans and specifications upon which said building permit was granted, provided such construction is completed within one year after the effective date of this Resolution.

SECTION 3.4 OUTSTANDING PERMITS

1. Where, at the effective date of this Resolution, there are outstanding valid building permits, authorizing the construction of buildings, structures, additions or alterations, the use or construction of which do not conform to the requirements of this Resolution, such permits shall be void unless actual construction work, excluding grading or excavating is underway within 60 days of the effective date of this Resolution.
2. Where, at the effective date of this Resolution, there are outstanding valid permits, authorizing the use of land or buildings without construction work, and where such use is not permissible under the terms of this Resolution, such permit shall be void unless the use is actually in operation on that date.

SECTION 3.5 UNCOMPLETED STRUCTURES

SECTION 10.6 BOUNDARIES OF DISTRICTS

Unless otherwise shown, the district boundaries are street lines, alley lines, or the subdividing or boundary lines of recorded plats, or the extensions thereof, and where the districts designated on maps accompanying and made a part of this Resolution are approximately bounded by street lines, alley lines or the subdividing or boundary lines or recorded plats, such lines or the extensions thereof shall be considered to be district boundaries.

Where due to the scale or illegibility of the District Map or due to the absence of a street, alley, or recorded subdividing of plat lines, there is any uncertainty, contradiction or conflict as to intended location of any district boundary, the County Commission shall have the power and duty of interpreting the intent of said District maps so as to determine and designate the proper location for such district boundary in accordance with the spirit and purpose of the Zoning Resolution.

At the hearing, all persons interested shall be heard for or against the proposal and any other plans or modification thereof shall receive the consideration of the said Board of County Commissioners. The hearing may be adjourned from time to time until some plan or proposal is adopted, or until all are rejected.

Section 6. RECORDING. The Board of County Commissioners of Broward County may record in the official records of the County a certified copy of such regulations adopted under this Act, or parts thereof, as said Board may deem advisable.

Section 7. ZONING BOARD. The Board of County Commissioners of Broward County shall appoint a Zoning Board to be composed of ten members, two such members to be appointed from each County Commissioner's district, to be known as the Zoning Board, to recommend the boundaries of the various original districts and appropriate regulations to be adopted and enforced therein. Such Zoning Board shall make a preliminary report and hold a public hearing thereon before submitting its final report, and such Board of County Commissioners shall not hold its public hearing or take action until it has received the final report of such Zoning Board.

The Zoning Board shall, from time to time, make studies and recommendations for changes and amendments relating to the boundaries of the various districts and the regulations applicable thereto to the Board of County Commissioners. Any proposal or request for such a change or amendment shall first be filed with the Zoning Board and every such proposal or request shall be considered by the Zoning Board and transmitted thereafter to the Board of County Commissioners with the recommendation of the Zoning Board, either favorable or unfavorable, attached to or endorsed thereon.

The Zoning Board shall act in an advisory capacity to the Board of County Commissioners and make such studies and investigations as requested by the Board of County Commissioners.

The Zoning Board shall serve during the pleasure of the Board of County Commissioners and shall serve without compensation, but shall be paid actual expenses incurred in performance of their duties as members of the Zoning Board, which shall not exceed allowances as prescribed by state law.

Section 8. BOARD OF ADJUSTMENT AND BOARD OF RULES AND APPEALS

1. BOARD OF ADJUSTMENT. It shall be the duty of the Board of County Commissioners of Broward County to appoint by resolution a County Board of Adjustment, for such County, and it shall be the duty of said Board of Adjustment, in appropriate cases and subject to appropriate conditions and safeguards, to make special exceptions to the terms of any zoning order or zoning resolution in harmony with the general purpose and intent of such order or resolution and in accordance with general or specific rules therein contained. The members of such Board of Adjustment shall serve without compensation but shall be paid actual expenses incurred in performance of their duties as members of such Board of Adjustment which shall not exceed allowance as prescribed by State law.

Such Board of Adjustment shall consist of one (1) member from each County Commissioner's district, each to be appointed for a term of one (1) year and removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant.

Meetings of the Board of Adjustment shall be held at the call of the chairman and at such other times as the Board may determine. Such chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the Board of Adjustment shall be open to the public. The Board of Adjustment shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the Board of County Commissioners of Broward County and shall be a public record.

Appeals to the Board of Adjustment may be taken by a person aggrieved or by any officer, department, board or bureau of the County affected by any decision of the administrative officers. Such appeal shall be taken within thirty (30) days from the date of such decision by filing with the officer from which the appeal

is taken and with the Board of Adjustment a notice of appeal, specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from was taken.

An appeal shall stay all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certified to the Board of Adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Adjustment or by a court of record on application, on notice to the officer from whom the appeal is taken, and on due cause shown. The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or by attorney.

The Board of Adjustment shall have the following powers:

(a) To hear and decide appeals where it is alleged there is error in any zoning order, zoning requirement, zoning decision or zoning determination made by any administrative official in the enforcement of this Act insofar as zoning matters are concerned or any zoning order or zoning resolution adopted pursuant thereto.

(b) To hear and decide special exceptions to the terms of any zoning order or zoning resolution which provides that such board may grant special exceptions to such order or resolution.

(c) So that substantial justice shall be done, to authorize upon appeal in specific cases such variance from the terms of any zoning order or zoning resolution as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of such order or resolution will result in unnecessary hardship.

The concurring vote of three (3) members of the Board of Adjustment shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official.

Any person or persons, jointly or severally, aggrieved by any decision of the Board of Adjustment, or any taxpayer of such county may, within thirty (30) days after the date of such decision, but not thereafter, appeal therefrom to the courts.

2. BOARD OF RULES AND APPEALS

(a) DEFINITIONS. As used in this sub-section:

(1) "Board" shall mean the Board of Rules and Appeals.

(2) "Code" means the South Florida Building Code, 1957 Edition, as amended and adopted by the Board of County Commissioners for Broward County, and such other building codes and regulations as may be adopted by such Board of County Commissioners, including but not limited to, plumbing and electrical codes.

(3) "Building Official" means the Director of the Building and Zoning Department of Broward County.

(b) CREATION. In order to determine the suitability of alternate materials and types of construction, to provide for reasonable interpretation of the provisions of the Code and to assist in the control of the construction of buildings and/or structures, there is here created a Board of Rules and Appeals, to be appointed by the Board of County Commissioners of Broward County, consisting of seven (7) members who are qualified by training and experience to pass on matters pertaining to building construction.

(c) MEMBERSHIP.

(1) Membership of the Board shall consist of one (1) architect, two (2) general contractors, one (1) structural engineer, one (1) mechanical engineer, one (1) master electrician and one (1) master plumber, all being qualified by being active in their respective professions and trades at the time and for the ten (10) years preceding their appointment, all having been examined and registered or licensed in their respective fields, and all residents of and having their principal businesses within the area of Broward County. In addition thereto, alternates shall be appointed for each of the above members representing the same respective profession and trade and with the same qualifications. Alternates may attend all Board meetings but may not vote on the Board unless the regular member is absent.

(2) Board members and alternates shall be appointed for a term of three (3) years, or until their successors are appointed and qualified, with the exception that the terms of members of the first created Board shall be for lesser periods so that the expiration of the members' terms shall be staggered.

(3) The Board of County Commissioners of Broward County may remove any member of the Board for misconduct, incompetency or neglect of duty; however, any member so removed may, within ten (10) days, request a public hearing and shall receive such hearing before such removal shall be final.

(4) A vacancy in the membership of the Board, occurring during a term, shall be filled by appointment of a member from the same field, and appointment shall be for the remainder of such term.

(d) COMPENSATION. Members of the Board of Rules and Appeals shall serve without compensation, but shall be paid actual expenses incurred in the performance of their duties.

(e) MEETINGS.

(1) Meetings of the Board shall be held at the call of the Chairman and at such other times as the Board may determine.

(2) The Board shall select one (1) of its members to serve as Chairman and one (1) to serve as vice-chairman, to act in the absence of the Chairman. A detailed record of all proceedings shall be kept on file in the office of the building official. The Board shall establish rules and regulations for its own procedure.

(3) All hearings shall be open to the public, and any person whose interest may be affected by the matter on appeal shall be given an opportunity to be heard. The hearing shall be informal and need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now, or hereafter may be, recognized in civil actions; and irrelevant and unduly repetitious evidence shall be excluded.

(4) No member of the Board shall sit as a voting member in any hearing involving any question in which he has personal or financial interest.

(5) Four (4) members of the Board shall constitute a quorum. Decisions shall be at least four (4) favorable votes. The Board shall reach decisions without unreasonable or unnecessary delay.

(6) Written notice of Board decisions shall be furnished the appellant when requested.

(7) The building official shall take immediate action in accordance with decisions of the Board.

(f) DUTIES.

(1) APPEAL FROM DECISION OF BUILDING OFFICIAL.

The Board shall hear all appeals from the decisions of the building official from any person aggrieved thereby.

(2) INTERPRET CODE AT REQUEST OF BUILDING OFFICIAL. The Board shall pass on all matters pertaining to this Code and referred to the Board by the building official for interpretation or clarification.

(3) INVESTIGATE ENFORCEMENT. The Board of Rules and Appeals, upon direction of the Board of County Commissioners of Broward County, or upon its own initiative, shall conduct investigation into the enforcement of this Code, and shall have the power to suspend or revoke any permits issued thereunder, after a hearing at which interested persons may appear and be heard and evidence indicates that the best interests of the public are served by such action.

(4) REPORT AND RECOMMENDATIONS. The Board of Rules and Appeals may recommend to the Broward County Board of County Commissioners schedules of fees, permits, inspections, testing of materials, and all other such work required by the Code; any desired amendments or revisions to the Code; and shall report annually on the operation of the Code, with respect to its enforcement, its effect on general building trends, the effect on buildings and other results.

(g) POWERS.

(1) The Board of Rules and Appeals may interpret the provisions of the Code to cover a special case if it appears that the provisions of the Code do not definitely cover the point raised, or that the intent of the Code is not clear, or that ambiguity exists in the wording; but it shall have no authority to grant variances where the Code is clear and specific. The use of alternate materials or types of construction, not clearly comparable with the materials and types of construction specified in the Code may not be granted by the Board of Rules and Appeals, but the Board, if favorable to such use, may recommend an amendment to this Code to make such use lawful.

(2) The Board shall have the power to affirm, modify or reverse the decision of the Building Official.

(3) When it is deemed necessary by the Board, it may request experienced and technical advice on any specific subject or subjects from any qualified person or persons, and such request may be for attendance at Board meetings or for written

analysis of the specific problem. The Board may establish panels of industry, either standing or temporary, for technical analysis of specific subjects.

(h) RECIPROCITY.

(1) The Board shall have the authority to meet with similarly constituted and authorized boards for the purposes of discussion, decision and similar matters of area-wide industry concern.

(2) Decisions of the majority of all members at joint meetings as referred to herein, shall not be binding on the Board. The decisions of joint meetings with other boards may be accepted or rejected or accepted with modifications.

(i) COURT REVIEW. Any person aggrieved by a decision of the Board, whether or not a previous party to the decision, may apply to the appropriate court for a writ of certiorari to correct errors of law of such decisions. Application for review shall be made to the proper court of jurisdiction within five (5) days after the decision of the Board.

Section 9. APPROPRIATION. The Board of County Commissioners of Broward County is hereby authorized to appropriate and pay out of the General Fund of such county, annually, such moneys as in the judgment of said Board may be necessary for the purpose of defraying the expense of zoning such county and administering the provisions of this Act.

Section 10. PERMIT AND INSPECTION FEES. The Board of County Commissioners of Broward County is authorized and empowered by resolution to fix reasonable permit and inspection fees to be charged by said Board for such building permits, examinations and inspections as said Board may determine is necessary in the administration of the provisions of this Act.

Section 11. ADMINISTRATION. The Board of County Commissioners of Broward County is hereby authorized and empowered to employ during the pleasure of the Board a Zoning Director and Deputy Zoning Directors to administer and enforce the provisions of this Act and any codes, orders or resolutions made under authority hereof.

Any such rescission, change or amendment shall be made under Sections 5 and 7 of this Act. The Zoning Board may include any changes in such resolutions as have been adopted pursuant to said Chapters 25717 and 27431 in their recommendations and reports made under Section 7 hereof, and the Board of County Commissioners may include any such changes in any resolution adopted establishing the boundaries of the various original districts and adopting the regulations to be enforced therein.

The Boards of Adjustment and administrative officers appointed under said Chapters 25717 and 27431, or their successors, shall continue to perform their duties in the administration and enforcement of the Resolutions adopted by the Board of County Commissioners under said Chapters 25717 and 27431 until such time as the Board of Adjustment and corresponding administrative officers are appointed under this Act.
