Proposed Text Amendment
October 2019

BROWARD COUNTY LAND USE PLAN

AFFORDABLE HOUSING

POLICY 2.16.2 For amendments which propose to add 100 or more residential dwelling units to the existing densities approved by the BCLUP, Broward County and affected municipalities shall coordinate and cooperate to implement the affected municipality's chosen policies, methods and programs to achieve and/or maintain a sufficient supply of affordable housing. In addressing amendments which proposed to add 100 or more residential dwelling units to the existing densities approved by the BCLUP, the municipality, without limitation, may include consideration and implementation of the following affordable housing strategies:

- a. programs and policies involving mechanisms such as, but not limited to, impact fees, in-lieu fees, and/or public funds, in which the municipality, and/or Broward County, and/or other appropriate agencies/entities (including, but not limited to, major employers), provide for the construction or supply of affordable housing;
- b. programs and policies involving mechanisms such as, but not limited to, impact fees, in-lieu fees, and/or public funds, in which the municipality, and/or Broward County, and/or other appropriate agencies/entities (including, but not limited to, major employers), provide funding to facilitate the affordable purchase or renting of housing;
- c. programs and policies in which the municipality, and/or Broward County, and/or other appropriate agencies, facilitate the maintenance of the existing supply of affordable housing stock, if any;
- d. property tax abatement programs aimed at preserving or creating affordable housing;
- e. streamlined and reduced-cost permitting procedures for affordable housing;
- f. specific minimum set-aside requirements for new affordable housing construction;
- g. use of appropriate existing public lands, or public land-banking, to facilitate an affordable housing supply;
- h. programs and policies to facilitate the development and use of municipal and/or Broward County affordable housing density bonus provisions;

- i. land development regulations which promote the availability of affordable housing such as reduced lot size and floor area for dwelling units, construction of zero lot line and cluster housing, vertical integration of residential units with non-residential uses, and the allowance of accessory dwelling units;
- j. the existing supply of affordable housing.

The affected municipality shall demonstrate compliance with this Policy at the time of the County's consideration of the applicable land use plan amendment, by establishing that the municipality has implemented or ensured adoption of appropriate policy and program measures to implement the affected municipality's chosen policies, methods and programs to achieve and/or maintain a sufficient supply of affordable housing for each of the following affordable housing income categories defined by the Broward County Land Use Plan: very-low, low, and moderate. The local government shall estimate its supply of affordable housing utilizing the data and methodology referenced within the ~~"Administrative Rules Document: Broward County Land Use Plan."~~ "Broward County Affordable Housing Needs Assessment," 2018, prepared by The Metropolitan Center Florida International University, as may be updated and accepted by the Broward County Board of County Commissioners, after (placeholder for effective date of text amendment). For the purposes of this Policy, the term "affordable housing" shall include the meaning as defined by the BCLUP. The median annual income estimate should be updated at least yearly.
